Green Leaf, Melbourne, FL

At nearly 3,000 square feet, the two-story, single-family home, The Chester, has a spacious and inviting layout for all buyers. The front entry and three-car garage flow directly into the open kitchen, where visitors can gather to prepare meals and relax together. Windows along the exterior wall lead to the outdoor patio and provide spectacular morning and evening light throughout the main living area. Tucked away at the front of the home are spaces for working and relaxing, both upstairs and downstairs. A first-floor office and a loft area above provide the extra space everyone needs. The second floor has a separate hallway with three bedrooms and a shared guest bathroom with a double vanity to help make mornings more efficient, and the laundry room is located around the corner for added convenience.
