Aviation Enthusiast's Dream Hangar Unit at Apopka Airport

Welcome to 1321 Apopka Airport Rd, Unit 123
a rare opportunity to own a private aircraft hangar in the highly desirable Orlando Apopka Airport (X04), one of Central Florida's most accessible and pilot-friendly airports. This premium unit offers direct access to the runway and is ideal for private pilots, aviation hobbyists, or businesses needing aviation storage or workspace.

Situated in an aviation community with a well-maintained 3,987-foot paved runway, this hangar is located at a public-use airport with self-serve fuel, lighting for night operations, and low traffic volume making it one of the most convenient and efficient general aviation hubs in the region. Apopka Airport is privately owned but open to the public, allowing for flexible use without the congestion or bureaucracy of larger airports. Located just minutes from SR-429 and the heart of Apopka, it offers easy ground access to Orlando, Mount Dora, and surrounding areas.

Unit 123 provides ample space for single or multi-engine aircraft, helicopters, or as a secure aviation-related workshop or storage solution. Whether you're storing your aircraft or investing in aviation infrastructure, this unit offers significant long-term value and

flexibility.
