One or more photo(s) has been virtually staged. Tucked away on a quiet dead-end street with no HOA, this home blends privacy, comfort, and convenience. A new roof (2 years old) and an upgraded electrical panel meeting current code bring peace of mind, while central heat and air keep every season comfortable. The heart of the home is the updated kitchen, designed for both everyday living and entertaining. A spacious island counter, recent cabinets with ample storage, and elegant marble countertops create a true chef's space, complemented by a large pantry and modern appliances—stove, refrigerator with ice maker, microwave, and dishwasher. Natural light streams through large front and back windows, brightening the living spaces, while the fireplace adds warmth and charm.
