A RESUB OF A POR OF APOLLO, APOLLO BEACH, FL

Absolutely stunning Schmidt Luxury Home located in the heart of Apollo Beach! Perched twelve feet above ground, this home had zero concerns through the hurricanes. Built in 2017 on an oversized 102x125 foot lot and featuring three bedrooms, two bathrooms, office, and three car garage, the home shows like it's brand new! As you walk through the front door, you are greeted with a spacious open split floor plan with high ceilings and an abundance of natural light. Beautiful glass French doors adorn the home office. No carpet anywhere with easy-to-clean tile throughout the entire home. The kitchen is massive and features Quartz countertops, huge pantry, and tons of cabinet space. Spectacular views of the pond and golf course with no rear neighbors. The primary bed and bath include an extra large walk-in closet and His and Hers vanities with plenty of cabinet space. Enjoy the outdoors without the bugs with the screened front porch and screened lanai, both freshly painted. There's a lovely garden with fruit trees. No HOA or CDD! Perfect location, less than seven miles from I-75, only a thirty minute drive to Downtown Tampa, and less than an hour drive to the Gulf Beaches!
