Residential on 0.24 Acres

CITY ZEPHYRHILLS, ZEPHYRHILLS, FL

Don't miss your chance to own a piece of Zephyrhills history that with a little TLC can be restored to the pride of the neighborhood. This fully 3 bedroom but with a 4th giant 2nd story bonus room that would make a great bedroom, 2 bathroom house, is ready for you. Over a hundred years old and in the historic district of downtown Zephyrhills, it's close to restaurants, boutique stores, and only a short distance from supermarkets and all the large box stores. From the quiet, paved street, you enter the home under the large comfortable porch and into the large living room. Carrying on through the home you have a dining room, followed by a spacious kitchen. The master bedroom has a large en-suite bathroom and French doors that lead into the fully fenced and cross fenced back yard which also contains the detached garage. The home features to additional full bedrooms, and upstairs a large converted loft area that can be used as another large bedroom. This home needs a little TLC but mainly cosmetic work to bring it back to it's former glory.
