ZEPHYRHILLS COLONY CO, ZEPHYRHILLS, FL

If having space between homes, a screened-in lanai overlooking an extra-large yard with enough space to turn it into your own private oasis, and a hobby workshop or mancave sounds ideal to you, then you'll want to view this home. Located less than a mile from the city limits of the growing yet quaint town of Zephyrhills, on 1.45 acres, this single-family home with a generously sized workshop is ready for new owners. The circular paved driveway lends an aesthetic appeal to the home's entrance and allows for easy entertaining. The well-kept wood floors span in two directions from the entrance area to the formal living room and dining room. The formal living room has sliders that open up to the screened lanai. The dining room is conveniently located just off the spacious kitchen. There's plenty of cabinetry, countertop space, and a pass-through window over the sink connecting to the outdoor grilling area. The kitchen and its eat-in area overlook the oversized family room and the wood-burning fireplace. The family room's sliding doors connect it to the lanai, creating a circular flow for entertaining. The interior has a 3-bedroom, 2-bath floor plan. The primary bedroom with two closets, one a walk-in, overlooks the backyard through sliding doors and has direct access to the lanai. The mud room, located at the garage entrance to the home, provides an extra storage area. The separate workshop has a two-car garage door

and is 30 ft by 36 ft. There is a 20 ft by 30 ft covered area extending off the side of the workshop, more outdoor activity space, and another 12 ft by 30 ft covered area. It's waiting for an RV or a garden of plants needing part shade. The home has smart features. They include not only the home but the workshop. Both can open and close garage doors and the front door, making life easier. There is enough space to add a pool, have a fire pit for those chilly fall evenings with s'mores, and still have plenty of room left for two and four-legged ones to run around. Locally owned stores like the Zephyrhills Community Pharmacy, along with the familiar Starbucks, Lowe's & Ace Hardware, Panera, and many other businesses, are a very short distance away. This home is the perfect spot to relax on the lanai, starting your day with a cup of joe and ending your day with your choice of spirits, or listening to the gentle sounds of the rain hitting the 2017 metal roof overlooking whatever you envision in your new backyard. Don't miss out on the opportunity to own this property; in 7 to 10 years from now, you may wish that you did.
